PROFIBUS

'One for all' EXPO

Technology Forum & Exhibition

13 October 2010 Melbourne Cricket Ground, VIC Admission: FREE

Invitation

Profibus 'One for all' EXPO • Wednesday 13th October 2010 • Commencing 8.30am
MCG (Melbourne Cricket Ground), Jolimont Street, Gate 1, Level 2 (03) 9657 8888

The PROFIBUS Association of Australia (PAA) is delighted to announce the PROFIBUS 'One for all' Technology Forum and Exhibition, to be held at the Melbourne Cricket Ground on the 13th October 2010.

This important event on the PAA calendar is designed to be an informative and interactive information exchange between users, engineers, product vendors and industry experts. There will be no entry fee!

PROFIBUS is clearly the world's market leader in Fieldbus technology with over 25 million nodes installed in manufacturing and process plants worldwide. At the core of this success story is the PROFIBUS 'One for all' design philosophy which ensures its suitability across all industries and applications.

This event will provide visitors with an opportunity to participate in the Technology Forum and mix casually with PROFIBUS experts and representatives from the major vendors.

Technology Forum – Level 2, Harrison Room

Meet face to face with industry experts who are at the cutting edge of the PROFIBUS technology revolution. Hear their views on the issues and major developments now shaping the fieldbus evolution. This Forum is your opportunity to exchange views with these experts on specific topics of interest that will help you get the most from your technology.

Technology Fair – Level 2, Harrison Room

Leading PAA members and other vendors will be displaying their latest technologies in an interactive environment, demonstrating the power of PROFIBUS at all levels of the plant.
